It Was So Good!

Nick Canata and Kathy Canata outdid themselves at the November meeting when they served up some great polenta and stew for the lodge's traditional polenta dinner.

Extra tables had to be setup for the big crowd with over 70 members and guests on hand to enjoy the great meal. Special thanks to Nick and Kathy along with Michael DePaoli and Ken Bertorelli who helped out.

New Members

Roma Lodge initiated several new members at the November meeting. They included Nathan Perry, Amy Perry, Isabella Perry, Mia Perry, Mackenzie Perry-Silva and Amelia Dutto with parents Amber and Daniel Dutto. When there has been renewed efforts by the Grand Lodge to initiate new membership drives Roma Lodge continues to have new members join and be initiated every month or so. We certainly want to welcome these new members and encourage them to take on leadership roles in the lodge to keep the organization strong.

Roma Lodge will be celebrating our annual **Christmas Party** on December 6th with a traditional feast of ham and yams. I especially want to emphasize the word **"Christmas"** since in our country, where political correctness has gone overboard, many organizations no longer use Christmas in their holiday messages.

Each year the holiday season marks a time when we reflect on the past year and look forward to what a new year will bring.

Roma Lodge has had a very successful year and will culminate our years activities with our Christmas party and hosting the United Lodges meeting on December 13th. Our membership continues to grow, meeting and lodge activities are well attended by members and guests and our younger members are stepping forward to take on leadership roles.

While the Grand Lodge continues to focus on dwindling lodge numbers and membership, Roma Lodge is heading in the opposite direction.

So what are the keys to our success? First, we have long term members who continue to recruit new members into the lodge. Second, we provide a great meal at our meetings and focus on the fraternal and social aspect of getting an opportunity each month to see those who we may not see everyday.

Finally, leadership. Under the leadership of our president, **David DePaoli**, we have an organizational chart, list of lodge responsibilities for the year and meetings that are being conducted efficiently and effectively. We have our lodge assignments for next year and several members have accepted new leadership roles in the lodge. *Roma Lodge members can take pride in their organization for setting the standard for lodges who want to continue to carry on the Italian Culture.*

Charlie Takes Charge!

Soon after the new year arrives it will be time for the **49th World Ag Expo**. This years chairman is our own **Charlie Pitigliano**. Along with wife **Nancy**, Charlie has already been working on next years show for several months meeting with a variety of volunteer groups, exhibitors, staff and community leaders to make the show the best ever. Charlie has been instrumental in the show since its inception back in 1968. Roma Lodge has been fortunate to have Charlie in his leadership role as he is usually the first to arrive to help setup our meetings and the last to leave to close up the place. We believe that this is the second WAE Chairman the Lodge has had as Charlie follows **Jim Luis** who was also the chair of the show.

50 Years of Wedded Bliss!

Roma Lodge members **Johnnie Kay and Clarence Costa** celebrated their 50th wedding anniversary recently with family and friends. Johnnie Kay will be a 60 year member of the lodge next year and Clarence a 50 year member. The lodge has had three other couples celebrate 50 year anniversaries this year with **Gary and Dawn Dutto, Carol and Dennis Burner and Lorraine and Cliff Cleek**. **Congratulations to all!**
